**SMILE
Humboldt**

Humboldt County's Dental Advisory Group (DAG) - Smile Humboldt is coordinating workplace supply drives to collect dental hygiene products for children, teens, and adults who have limited access to supplies.

We hope your organization will join us in this important effort!

Donated toothbrushes, floss/flossers, and toothpaste will be received by Redwood Community Action's TOOTH Program to support local schools, Family and Community Resource Centers and other local organizations providing services to families who have limited access to supplies.

If your organization, workplace or place of worship is interested in hosting a Smile Drive to collect dental supplies, check out the QR code to sign up and get details or visit:
